

Palm Point Behavioral Health Celebrates Two Year Anniversary

Palm Point welcomed the community for a safe, socially distanced CAR HOP.

December 2, 2020

In 2018, Palm Point Behavioral Health opened to provide behavioral health services to the community with services ranging from inpatient programs for children and adolescents, to programs for adults seeking hospitalization. The hospital also offers outpatient services for adolescents and adults.

To celebrate the hospital's two-year anniversary, Palm Point welcomed the community for a safe, socially distanced CAR HOP. Guests remained in their cars and drove through the CAR HOP to receive gourmet boxed lunches prepared by Palm Point's Dietary Team and swag bags delivered by CEO, Tom Mahle and the rest of the Leadership team.

Located on the Space Coast in Titusville, Florida, Palm Point is proud to be the community's trusted behavioral health provider.
